Division names will change to Open 1, 2 and 3 and Over 30 1 and 2.

There will be no open weekends left at the end of the season for rain make-up games. These games have been poorly attended in the past and it was therefore decided to schedule regular games through the final weekend of May 21. No games for the 2 and 3 divisions will be scheduled for April 23 due to the Las Vegas Tournament. If anyone needs a bye for any other weekend let Kanda know.

A question was asked regarding inter-divisional play. It was explained that inter-divisional games are scheduled between teams with regard to their standing within their division. For example games between O301 will only be scheduled against teams ranking in the lower half of Open 2 not the top half. The flexibility to schedule inter-divisional games insures more games for all rather than more byes. If this strategy is not working, it can be revamped for future seasons.

Carole noted some League Policy highlights and informed all that the entire policy will be available on the website.

Games will start on time as long as at least 7 players are present. Referees are to call for the coin toss at least 5 minutes prior to schedule game start. Game whistle is to blow on time unless either team is short their minimum 7 players. A maximum of 15 minutes is allowed a team before a forfeit is declared. It is the teams responsibility to have players ready to start at game time. It is the Ref's responsibility to blow the whistle and get the game started. 3 Ref's are being paid for – if less than 3 work the game, teams must be sure to let the scheduler or statistician know so that adjustments can be made to the league bill.

Fees to add or drop players are \$10. Once a team has reached its 22 player max the fee is \$20. Final date for adding players to the Winter roster is March 19.

Winter League fees were collected and the first few weeks of the schedule distributed.
