Lopez Ridge, Mira Mesa Rec Center (MMRC), Challenger and Westview Lower are the fields that will be used for Fall. MMRC restrooms are only open from 10-4. Challenger at this time has port-a-potties managed by Mira Mesa Youth. If they go away we will look into getting our own. Field addresses will be added to map information on the website.

We have found someone to do all the delivery and pickup of goals for all fields for Fall. In order to accommodate the delivery/pick up schedule home teams (first team named on schedule) for the first and last games will be required to be present for the delivery/pick up on a staggered schedule by field. Westview Lower 7:45/4:45. MMRC 8:00/5:00, Challenger 8:15/5:15, Lopez Ridge 8:30/5:30. Evaluations will be made after the first few weeks to make sure that schedule is working. Lopez Ridge has the option of taking the nets at the end of the day to Challenger by 5:15.

It will be very important especially for Westview Lower and MMRC to get the nets down as quickly as possible to keep pick up on schedule. If there are issues, please communicate these right away to the Board.

Schedules were passed out. Scheduler Michelle did her best to accommodate special requests. Please examine schedule for any errors.

Carole asked that teams communicate any equipment that may be missing or cracked/broken. This is very important to keep equipment in good working order. Each goal set should have _____.

Scripps Ranch league teams are looking for O40 players. If anyone is interested contact Carole Hurst.

Julie (Treasurer) is missing final fees from 21 teams. Teams need to look at the Team Balance sheet that was emailed to team managers last week to see if they have credits or balances due. If anyone has any questions about the balances showing on the sheet, contact Julie.

The updated roster cards are on the website and NEED to be used because Jackie's (statistician) address changed and the address is updated on the roster card. New address is 3900 Lomaland, SD 92106. The roster card information can be emailed to Jackie as well.

Carole will be out of town from Sept 15 to Oct 1.

Sherry requested teams examine their cards to see if they are missing anything. Each team must fill out the USSSA Roster form which will be on the website tonight. These must be emailed to Sherry by Wednesday at 5PM. She is leaving town Friday morning so needs all registration forms by Thursday. Last cards will be on Sherry's porch by Friday.

The poor lining at MMRC this summer was due to a lack of communication.

There was a request to consider playoffs for Winter League. It is challenging for a variety of reasons.

Please check the Team Rep list for correct phone numbers.

Turkey Shoot Chairwoman is Tammy Moore. There was a request for an older (O55) age bracket. We have talked about moving the O47 to O50. One of the major limitations is field space. Carole suggested doing a survey for 2008 division preferences..

Motion to adjourn: Katie Michelmore, 2nd by Adrienne Navarra.

Respectfully submitted,

Wendy M. Carey
