- Webmaster – Tammy Moore (not present)

Switched from PLHS to Clairemont because of increased fees (PLHS is \$50/hr compared to \$20/hour for City fields). Set up procedures for Clairemont are involved. . The revised procedures will be made available on the website....please make sure that you read them. Absolutely must not leave any trash. Please take home water bottles. Shovel is in the shed if there are any holes that need to be tended to. We must take care of fields in order to make sure that we are wanted back. We will also look into using the Clairemont High Football field.

Lindbergh field issues have been addressed with the Rec Council. They will do what they can with limited budgets. At least we have storage and bathrooms there. It is also a smoke free park – make sure your teams are informed. The field is supposed to be mowed every week. Make sure that the lock is securely closed at the end of day.

Reminder that we do not have player insurance. This was the one benefit we lost when we switched affiliations. Julie addressed the fact that fees did actually reduce from \$925 last year to \$825 this year. There was an additional \$100 bond per team to cover different fees (forfeit, add/drop). It was felt that this was a worthwhile loss since it had very rarely been used over the last many years. (Note subsequent to meeting: Last fall's fees were actually \$1000; winter fees were \$1200 for new teams and \$850 for returning teams. Additional benefits include the internal control of player cards (avoiding the tedious, unresponsive relationship with CSAS as well as reducing the additional registration fees (over 22 registrations) from \$25 per card to \$10 per card.)

We will talk with the ref's about games getting shorted time. Referee Liaison Ray Theep was not available for this meeting. Games should be started on time, with a minimum 5 and max 10 minutes ½ time. If a game starts late it will be shortened just enough to make up for the late start but still play as long as possible as long as the game is done by the next game start time. Team captains are encouraged to be aggressive about reminding the ref's that we expect full 45 minute halves. Make sure that Ref comments (including game time and field) are emailed to the Board or to the Statistician – Jackie makes sure that Ray sees all comments.

Remember that October 15 is the deadline for adding players for Fall.

Website should be updated with field set up procedures and schedules by end of week. Rules will also be posted.

Kanda Segraves is no longer able to serve as scheduler. We will be taking nominations until the November meeting at which time a replacement will be elected. The nominee does not have to be at the meeting. The current VP Paris Segress has expressed an interest. This would open up the VP spot.

There was a question about the possibility of changing the 9AM time slot to 5PM. Light would be an issue.

A left foot Adidas soccer shoe was found at Lindbergh. Contact Debbie Small.

Jackie collected various missing scores. Sherry announced missing registration items.

Motion to adjourn: 1st by Yuki Fuji, 2nd by Natalie Osborne.

Respectfully submitted,

Wendy M. Carey
