Ray Theep

Motion to approve minutes Adrienne Navarro/ 2nd by Christy Laumakis

Carol presented updates to the policy regarding Divisions 30 and 36. A request had been made that a player be able to register in both divisions (30 and 36). Since that division is now age dependent and not labeled A and B, this change will be made.

Clarification on sliding vs slide tackling. There is NO SLIDING in 30s divisions. Julie updated rules cards to reflect this. Corrected rules cards were also distributed to board members and team managers.

Discussion ensued regarding whether or not a goalie can slide in 30s divisions. The board feels the goalie should be able to slide in their box. Ray Theep, referee liaison clarified that even if a goalie is allowed to slide, they are not allowed to slide in a dangerous way.

Regarding Robb field 8: Plan is to move Robb 8 games over to Alcott. Roxi is going to follow up with the flag football league to see if this is still a possibility. This would take effect March 15- end of season.

Toby Wells is looking for women's teams to start new leagues Monday and Tuesday nights. Contact Brian Boyd at Mission Valley YMCA if interested.

KM Rec council is going to have a kid's basketball clinic. The clinic will be hosted by players from the semi-pro league, Wildcats. There will be clinics conducted in other various locations in addition to KMRC. The clinics will be geared towards middle school thru high school and will probably start in late March. Minimum enrollment is 10. If interested, contact Denise at KM Rec center.

March 29 the schedule may change to accommodate a request for a bye as well as to give a team a game that did not ask for a bye.

If your team plays at field 8 or 9 check the enclosure near the tennis courts for goals (uprights) first. The nets and flags will still be stored in the shed and should also be returned to the shed when closing.

There was a large amount of add/drops and several teams went over their bond. You will be hearing from Julie if you owe money.

Cindy made a motion to adjourn/2nd by Adrienne Navarro
